November 14, 2011

TO THE PURCHASER:

Swartz IP Services Group Inc., a Texas Corporation (the “**Company**”), agrees with Wimbledon Fund (Class TT), a class of a Cayman Islands Segregated Portfolio Company (the “**Purchaser**”) as follows:

Section 1

Authorization of Notes.

The Company will authorize the issue and delivery of up to \$25,000,000 aggregate principal amount of its Reference Notes due 2016 (the “**Notes**”, such term to include any such notes issued in substitution therefor pursuant to this Agreement) in accordance with the terms set forth herein. The Notes shall be substantially in the form set out in Exhibit 1. Certain capitalized and other terms used in this Note Purchase Agreement (this “**Agreement**”) are defined in Schedule B.

Section 2

Sale and Acceptance of Notes.

Subject to the terms and conditions of this Agreement, the Company will issue to the Purchaser and the Purchaser will accept from the Company, at the Closing provided for in Section 3, Notes in the principal amount of \$12,500,000 (such Notes, “**Tranche A Notes**”) upon delivery by the Purchaser to the Company by wire transfer immediately available funds in an amount equal to 100% of such principal amount (the “Purchase Price”). In connection therewith, immediately following the issuance of the Tranche A Notes, the Company shall simultaneously cause to be delivered to the Purchaser warrants to purchase an aggregate of 3% of the fully diluted capital stock of Pineboard Holdings, Inc. (“**Pineboard**”) as of November 14, 2011, substantially in the form set forth on Exhibit II hereto (the “**Warrants**”) (which Warrants shall be a portion of like warrants issued to the Company by Pineboard Holdings Inc. substantially simultaneously with the Closing provided for in Section 3). After the Closing, subject to the terms and conditions of this Agreement, the Company will issue to the Purchaser and the Purchaser will accept from the Company, from time to time, one or more additional Notes (such Notes, “**Tranche B Notes**”) in the additional aggregate principal amount of \$12,500,000, or such lesser principal amounts as Purchaser shall purchase pursuant to the terms of this Agreement, upon delivery by the Purchaser to the Company by wire transfer immediately available funds in an amount equal to 100% of the principal amount of such Tranche B Notes purchased. Purchaser shall not be obligated to purchase Tranche B Notes.

Section 3

Closings.

Section 3.1 Tranche A Note Closing. The delivery of the Tranche A Notes and the Warrants to be accepted by the Purchaser shall occur at the offices of Company at 9:00 a.m., Los Angeles time, at a closing (the "Closing") on the first date upon which the conditions set forth in Section 4 are satisfied or on such other Business Day as may be agreed upon by the Company and the Purchaser. At the Closing, the Company will deliver to the Purchaser the Tranche A Notes and, immediately thereafter, the Warrants, in each case to be accepted by the Purchaser in the form of a single Note and single Warrant dated the date of the Closing and, in the case of the Notes, registered in the Purchaser's name and, in the case of the Warrants, with appropriate transfer documents evidencing the transfer of the Warrants by the Company to the Purchaser, against delivery by the Purchaser to the Company or its order of immediately available funds in the amount of the principal amount thereof by wire transfer to an account number designated by the Company at least twenty-four (24) hours before the Closing. For the avoidance of doubt, the Purchaser agrees that it shall deliver to the Company at least twenty-four (24) hours before the Closing immediately available funds in the amount of \$12,500,000.

Section 3.2 Tranche B Note Closings. Purchaser shall deliver written notice (each, a "Tranche B Notice") to the Company that it wishes to purchase Tranche B Notes. Each Tranche B Notice shall set forth (i) the closing date for the purchase of Tranche B Notes set forth therein (each such date, a "Tranche B Closing Date") which Tranche B Closing Date shall not be less than five (5) Business Days after the date of such Tranche B Notice (provided, that, for no more than one Tranche B Notice per calendar month, so long as such Tranche B Notice relates to Tranche B Notes with an aggregate principal amount of no greater than \$2,000,000, such Tranche B Closing Date shall not be less than one (1) Business Days after the date of such Tranche B Notice), and (ii) the principal amount of Tranche B Notes to be purchased, which principal amount, when added to the principal amount of all Tranche B Notes purchased prior to such Tranche B Closing Date, shall not exceed \$12,500,000. Each Tranche B Note shall be in a principal amount of not less than \$250,000, provided that, if the purchase of a Tranche B Note in a principal amount of \$250,000 shall cause the aggregate principal amount of Tranche B Notes purchased pursuant to this Section 3.2 to exceed \$12,500,000, the principal amount of such Tranche B Note shall, unless the Company and the Purchaser otherwise agree, be an amount equal to the difference between the aggregate principal amount of all Tranche B Notes purchased prior to such Tranche B Note and \$12,500,000. Each delivery of the Tranche B Notes to be accepted by the Purchaser shall occur at the offices of Barnes Law, Los Angeles, California, at 9:00 a.m., Los Angeles time, at a closing (each, a "Tranche B Closing") on the Tranche B Closing Date set forth in the Tranche B Notice pertaining to the purchase of such Tranche B Note or on such other Business Day as may be agreed upon by the Company and the Purchaser. At each Tranche B Closing, the Company will deliver to the Purchaser Tranche B Notes to be accepted by the Purchaser in the form of a single Tranche B Note dated the date of such Tranche B Closing and registered in the Purchaser's name, against delivery by the Purchaser to the Company or its order of immediately available funds in the amount of one hundred percent (100%) of the principal amount thereof by wire transfer to an account number designated by the Company.

(e) In the case of each Tranche B Closing, the closing of the transactions contemplated by the Purchase Agreement shall have occurred (or shall be occurring substantially concurrently with such Tranche B Closing).

(b) The representations and warranties of the Purchaser in this Agreement shall be true and correct in all material respects (without regard to qualifications or exceptions contained therein as to materiality) when made and at the time of the Closing or such Tranche B Closing, as the case may be.

(c) The Purchaser shall have performed and complied in all material respects with all agreements and conditions contained in this Agreement required to be performed or complied with by it prior to or at the Closing or such Tranche B Closing, as the case may be.

(e) In the case of each Tranche B Closing, the closing of the transactions contemplated by the Purchase Agreement shall have occurred (or shall be occurring substantially concurrently with such Tranche B Closing).

(f) In the case of each Tranche B Closing, the Purchaser shall not have exercised its rights under Section 10 of this Agreement for an aggregate amount in excess of \$2,500,000.

Section 5.2 Authorization, Etc. The execution and delivery of this Agreement, and the consummation of the transaction contemplated hereby, have been duly authorized by the appropriate governing body of it, and no other or further corporate or similar action on the part of it is necessary therefor. This Agreement is, and upon execution and delivery thereof each Note will be, the legal, valid and binding obligation of the Company, and this Agreement is, and upon execution and delivery thereof the Warrant will be, the legal, valid and binding obligation of Pineboard, enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally, and by general equitable principles. No other consent, approval or authorization of any Person is required in connection with the execution, delivery or performance by it of this Agreement other than such other consents, approvals or authorizations, as to which the failure to obtain could not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of it to perform its obligations under this Agreement.

Section 6

Representations and Agreements of the Purchaser.

The Purchaser hereby represents and warrants to and agrees with the Company as follows:

Section 6.1 Organization; Power and Authority. The Purchaser is duly organized, validly existing and in good standing under the laws of the state in which it is incorporated or organized, as applicable. The Purchaser has all requisite power to enter into this Agreement and to carry out the transaction contemplated hereby.

The execution and delivery of this Agreement and the performance by the Purchaser of its obligations hereunder will not violate or constitute a default under the terms of any agreement, indenture or other instrument, license, judgment, decree, order, law, statute, ordinance or other governmental rule or regulation by which the Purchaser is bound. This Agreement is the legal, valid and binding obligation of the Purchaser, enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally, and by general equitable principles. No other consent, approval or authorization of any Person is required in connection with the execution, delivery or performance by the Purchaser of this Agreement other than such other consents, approvals or authorizations as to which the failure to obtain could not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of the Purchaser to perform its obligations under this Agreement.

(a) The Securities are being acquired by the Purchaser in connection with the consummation of the transactions (the "Transactions") contemplated by the Purchase Agreement. in making the decision to accept the Securities pursuant to this Agreement. (b) Closing of Purchase Agreement. Unless otherwise consented to in writing by the holders of more than 50% in principal amount of the Notes at the time outstanding, Company shall not, at or prior to the consummation of the closing of the transactions contemplated by the Purchase Agreement, waive any of the provisions of the Purchase Agreement, or agree to any amendment of the Purchase Agreement, in each case the effect of which would be materially adverse to the interests of the Purchaser in its capacity as holder of the Tranche A Notes and Tranche B Notes.

Section 8

Principal Reset and Maturity.

Section 8.1 Principal Reset. On the second Business Day immediately following the receipt by the Company of a correct and complete copy of the monthly Net Asset Value report of the Tewksbury Investment Fund Ltd. Series B of Tewksbury Capital Management Bermuda (the “Fund”), commencing with the Net Asset Value report received in the month of November 2011, the principal amount of the Notes shall either be increased or decreased as follows: If the Net Asset Value report received in the respective month reflects a decrease, the principal amount of the Notes shall be decreased to reflect the performance of the Fund over the immediately preceding month; If the Net Asset Value report received in the respective month reflects an increase, the principal amount of the Notes shall be increased to reflect the performance of the Fund over the immediately preceding month. The amount of the increase or decrease shall be calculated by multiplying the monthly return to investors net of fees for the preceding calendar month (excluding, for the avoidance of doubt, the impact of asset inflows and outflows) by the then-current principal amount of the Notes. For the avoidance of doubt, a positive increase in such monthly return to investors net of fees shall result in a positive increase to the principal amount of the Notes and a negative decrease in such monthly return to investors net of fees shall result in a negative decrease to the principal amount of the Notes. The then-current principal amount of the Notes will at all times be updated and listed on Exhibit III to this Agreement, and reasonably promptly delivered to the holders of the Notes by the Company upon request. No separate interest shall be payable on the Notes. At each one year anniversary of the Notes, the sum of one percent [1%] of the then-current principal amount of the Notes will be added to the principal amount of the Notes and the revised principal balance will be updated and listed on Exhibit III to this Agreement, and reasonably promptly delivered to the holders of the Notes by the Company upon request.

- (c) the Company, or any of its Significant Subsidiaries (i) breaches a material term of any Indebtedness and (ii) such breach results in Indebtedness in an aggregate amount (with other defaulted indebtedness) in excess of \$500,000 becoming due and payable prior to its due date, and with respect to which a demand for payment has been made and not withdrawn within thirty (30) days of such demand being made;

Section 12

Remedies on Default, Etc.

Section 12.1 Acceleration. If any Event of Default has occurred and is continuing, holders of more than 50% of the aggregate principal amount of the Notes at the time outstanding may at any time at its or their option, by notice or notices to the Company, declare all the Notes then outstanding to be immediately due and payable. Upon any Notes becoming due and payable under this Section 12.1, such Notes will forthwith mature and the entire unpaid principal amount of such Notes shall all be immediately due and payable, without presentment, demand, protest or further notice, all of which are hereby waived. Notwithstanding the foregoing, any such declaration pursuant to this Section 12.1 that the Notes then outstanding are immediately due and payable shall be void retroactively, and the Notes shall not be due and payable, if the Event of Default is cured and/or otherwise no longer continuing within thirty (30) days following such declaration; provided, however, that the foregoing clause shall not apply if Section 11 provides for a cure or remedy period for such Event of Default of not less than thirty (30) days.

Section 12.2 Rescission. At any time after any Notes have been declared due and payable pursuant to Section 12.1, the holders of more than 50% of the aggregate principal amount of the Notes then outstanding, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all principal of any Notes that are due and payable and are unpaid other than by reason of such declaration, and (b) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes which would conflict with such rescission. No rescission and annulment under this Section 12.2 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

Section 12.3 No Waivers or Election of Remedies, Expenses, Etc. No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement or by any Note upon any

holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise.

Section 13

Registration; Exchange; Substitution of Notes.

Section 13.1 Registration of Notes. The Company shall keep at its principal executive office a register for the registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. Notwithstanding anything to the contrary contained herein or in the Notes, other than a transfer to an Affiliate of a holder or any other fund managed or sponsored directly or indirectly by Weston Capital Management LLC or any Affiliate thereof, the Notes shall be non-transferable by holder thereof, unless any transfer, assignment, hypothecation, pledge, sale, divestment or other disposition is preceded by prior written consent of the Company. The holder shall have the right to convey custody of any Note to any financial institution, including, without limitation, Société Générale or any of its Affiliates.

Section 13.2 Transfer and Exchange of Notes. Subject to the prior written consent of the Company pursuant to Section 13.1 and the receipt by the Company of evidence reasonably satisfactory to it (it being understood that the receipt of an opinion of counsel to such effect in form and substance reasonably satisfactory to the Company shall be sufficient evidence) that such transfer is exempt from registration under the Securities Act, upon surrender of any Note to the Company at the address and to the attention of the designated officer for registration of transfer (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note and accompanied by the relevant name, address and other information for notices of each transferee of such Note or part thereof), within ten (10) Business Days thereafter, the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be substantially in the form of Exhibit 1. Each such new Note shall be dated from the date of the most recent 12 month anniversary of the Closing Date. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$250,000, *provided* that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than \$250,000. Any transferee of a Note shall, by acceptance of such Note, be bound by this Agreement.

Section 13.3 Replacement of Notes. Upon receipt by the Company at the address and to the attention of the designated officer of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note, and

- (a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it, or
- (b) in the case of mutilation, upon surrender and cancellation thereof,

within ten (10) Business Days thereafter, the Company shall execute and deliver, in lieu thereof, a new Note, dated from the date of the most recent 12 month anniversary of the Closing Date.

Section 14

Payments on Notes.

The Company shall at all times maintain an office or agency in the United States at which the Notes may be presented for payment. The Company initially designates its office at 2425 Colorado Blvd, Suite B205, Santa Monica, CA 90404 as such office. Except as provided in the Notes, payment on the Notes shall be made at such office and in such lawful money of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts.

Section 15

Amendment and Waiver.

Section 15.1 Requirements. This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), with (and only with) the written consent of the Company and the holders of more than 50% of the aggregate principal amount of the Notes at the time outstanding, except that (a) no amendment or waiver of any of the provisions of Section 1, Section 2, Section 3 or Section 3.2 will be effective as to the Purchaser unless consented to by the Purchaser in writing and (b) no such amendment to or waiver of a provision of the Notes may, without the written consent of the holder of each Note at the time outstanding affected thereby, (i) subject to the provisions of Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of such Note, (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to an amendment or waiver hereunder, or (iii) adversely affect in any material respect the right of holders of Notes to convert their Notes pursuant to the terms hereof.

Section 15.2 Binding Effect, Etc. Any amendment or waiver consented to as provided in this Section 15 applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and the holder of any Note, nor any delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any holder of such Note. As used herein, the term "this

Agreement" and references thereto shall mean this Agreement as it may from time to time be amended or supplemented.

Section 16

Each party acknowledges and agrees that any controversy which may arise under this Agreement or the Notes is likely to involve complicated and difficult issues, and therefore each such party hereby irrevocably and unconditionally waives any right such party may have to a trial by jury in respect of any litigation directly or indirectly arising out of or relating to this Agreement or the Notes. Each party certifies and acknowledges that: (i) no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver; (ii) each party understands and has considered the implications of this waiver; (iii) each party makes this waiver voluntarily; and (iv) each party has been induced to issue or accept delivery of the Notes, as applicable, by among other things the mutual waivers and certifications in this Section 17.3.
